

2 x 25w (RMS)

Powerful sound reinforcement for all applications, optimised to power a pair of 80w Vision SP-1300 or CS-1300 loudspeakers.

4 STEREO INPUTS

For flexibility you need plenty of input options. The AV-1301 gives you loads of inputs for a typical installation environment.

2 MICROPHONE INPUTS

Soundfield research has proven that learning in a lecture or classroom environment is dramatically improved if speech reinforcement is provided. Without reinforcement students in the middle row achieved 71% word recognition, but at the back they only achieved 60% word recognition!

CABLES INCLUDED

Two patch cables to allow instant easy connection of AV peripherals such as iPods and CD players: 1 x 2-phono to 2-phono cable, and 1 x 2-phono to 3.5mm minijack.

RACK MOUNTABLE

The AV-1301 can easily be rack mounted on a rack shelf, and because it's black it will match your other rack mounted equipment.

INTEGRATED SECURITY SLOT

A Kensington Lock slot on the rear panel means if you need a secure amplifier solution, you can lock the AV-1301 down.

SPECIFICATIONS

AMPLIFIER DIMENSIONS: 420 x 290 x 100mm

CARTON DIMENSIONS: 500 x 360 x 175mm

AMPLIFIER WEIGHT: 4.7kg

PACKAGED WEIGHT: 5.2kg

COLOUR: Black

INPUTS

4 x Stereo inputs via phono connectors
2 x Microphone inputs via 6.3mm jack
[No Phantom power (48v), so condenser microphones must have own battery pack]

TECHNICAL DETAILS

2 x 25w @ 8ohms
Total Harmonic Distortion <1% (80H~12.5kHz)
Frequency response (line in): 80Hz~12.5kHz(±2dB)
Signal to noise ratio (line in): >77dB (Aweighted)
Rating input level/Impedance: line in 500mV/47kohms Microphone in 15mV/600ohms
Power consumption (rating condition): <90W

ACCESSORIES INCLUDED

1 x 2-phono to 2-phono cable 2m long
1 x 2-phono to 3.5mm minijack cable 2m long
1 x Euro Figure-8 Power cable 2m long
1 x UK Figure-8 Power cable 2m long
2 x Unshielded Speaker Cable 5m long

POWER SUPPLY: 230V Internal Power Supply

PALLET QUANTITY: 72

WARRANTY: 2-year return to base

COMPLIANCES: RoHS, WEEE & CE compliant
